# Volunteer Opportunities

Every year in Texas, over 100,000 teenage girls become pregnant and Dallas County continues to be #1 in the United States for repeat teen births. Considering 80% of teenage girls raised by teenage moms will themselves have a child too soon, these young ladies will enter a cycle of poverty that will be likely passed on to their children. alley's house is a way for teen mothers to break the cycle - for themselves, their children, and society. It gives them an opportunity to learn, achieve and succeed in life.

alley's house is a 501(c)(3) nonprofit organization providing a supportive, nurturing environment for teen moms and their children. Our vision is to break the generational, economic and social impact of teen pregnancy in the community. We accomplish this by providing comprehensive case management services, tutoring, life skill workshops, job preparation and computer training. Our services are free and available to pregnant and parenting teens aged 13-21. Funding for our programs comes from individuals, private and family foundations, special events, community groups and corporations.

alley's house offers a variety of opportunities to participate in the lives of teen mothers. Listed below are a few of those ways, but many more are available and are only limited by the creativity of our volunteers!

- **Mentors for Young Mothers Program** – Work one-on-one with a teen mother to help her achieve goals. Two visits per month and a one year commitment required. See *Mentors for Young Mothers* brochure for additional information.
- **Tutoring** – Put your expertise to work and help moms with homework or GED preparation. Meet with moms in-office, after school or on the weekends.
- **Child Care** – Use your experience working with children to provide entertaining activities in a fun and safe atmosphere. Providing child care allows our teen moms to participate in our valuable programs.
- **Special Events** – We have several special events throughout the year and many volunteers are needed. There are several special activities that you can host yourself, such as diaper drives, baby showers, donation dinner parties, etc.
- **Donated Goods Room** – Put your organizational skills to great use. Volunteer to help us keep all the wonderful donated items organized and available for our moms.
- **Board/Marketing/Finance/Funds Strategy Committees** – Various opportunities are available.
